

CCI Nova Scotia – AGM September 25, 2024

Candidates for Election

CCI NS has five candidates for the upcoming three positions open for this year's Board of Directors election at the AGM on Wednesday September 25th. Please come and make your vote count. The five candidates are as follows:

Dan Campbell:

Dan retired after a fifty-year career practising law in Halifax. He is now president of Summer Gardens (HCCC # 130), where he lives. He is Chair of the Advocacy Committee of CCI-Nova Scotia, Co-chair of the Governance Committee of CCI-National and a member of the Government Relations Committee of CCI-National.

Lola Gentile:

Lola is an Associate Mortgage Broker with 20 years of banking experience with a major Canadian Bank and 13 years as an independent Mortgage Broker with one of Atlantic Canada's largest brokerages. Current Board Secretary and previous Vice-President of Hants County Condominium Corporation #1, she also has 6 years of condominium board experience and is well versed in the financing of condominiums.

Michael Kennedy:

Michael retired after 31 years as an Air Force Officer in 2004. He currently teaches leadership, communication, and change management through the Saint Mary's University Executive & Professional Development programme. He is the Board President of HCCC#276, Vice-President and Chair of the Education & Media Committee for CCI-NS and the Co-Chair of the National Council for CCI National.

Tom Birchall:

Tom is a retired senior accounts manager & financial advisor. He is the current Board President and the administrator for a large self-managed condo corporation. He is also the current CCI-NS Secretary.

Vaughn Keeble:

Vaughn is a Professional Engineer, Project Manager, and Regional Manager for Atlantic Canada at Sense Engineering. He holds professional engineering licenses in most Atlantic Canadian provinces and a master's degree in Structural Engineering. Vaughn is a seasoned project manager with extensive experience in the restoration and building science industry. He has successfully completed projects in condominium, commercial, and multi-residential buildings across Atlantic Canada.
